

Centre for Mediumship and Healing

Dear Sir/Madam,

My name is Nicole de Haas, approved tutor at the Arthur Findlay College in England and course organizer of the mediumship program at the Zwanenhof, one of the largest Spiritualist Centre's in Europe. I am writing this letter to you to let you know that Philip Dykes has been a tutor and medium at the Zwanenhof for over 3 years now. He is an asset to the Zwanenhof, not only as a team player and colleague but moreover he is a wonderful medium and tutor.

He creates a safe and pleasant environment for students to unfold their psychic and mediumistic ability and he knows how to meet the students needs. Philip has build his experience at the Zwanenhof on Open Weekends and on courses that I run at the Zwanenhof, with a range of subjects from psychic work, mediumship, healing and personal development. He is able to work with international students and he is used to work with a translator alongside him as well. As a medium he is one the finest demonstrating mediums I know and it is always a great pleasure to work with him.

If you need more information, please don't hesitate to contact me. For further information about the Zwanenhof, please have a look at www.zwanenhof.com.
Thank you in advance.

Yours faithfully,

Nicole de Haas,
The Netherlands
